

Hello Ray Carrano!

Project: BrokerDox – Web Portal.

Estimate for your Project: Update the “Referral” to “Other” Transaction Type in Com
[BRDOX-218].

In section: Brokerage Commission and Fees by Transaction Type
change "Referral" to "Other" (screen attached);

—
Incorporate an extra 4 roles: Buyer, Seller, Tenant, and Landlord into both dropdown menus. E
same role cannot be simultaneously selected in both dropdowns.
(see screenshot)

—
Update the text : Referral Transaction Template to Other Transaction Template
(see screenshot)

—
in Edit Transaction, make sure that the "transaction type" is updated to "Other"
