

Hello Ray Carrano!

Project: BrokerDox - Web Portal.

Estimate for your Project: BRDOX-208; Commissions >>> Buyer Credit (CDA box enhancements).

The Buyer Credit is all good. It calculates correctly, is in the right place on the com screen etc. When you are generating the CDA, the Dialogue box does not show the Buyer is being credited (see screenshot)...but it does go to the CDA correctly. See screenshots. tested on 455 Oneonta St...

Mobile Development - Front end.....4h / \$45

Risks.....10%

Total with Risks.....5h / \$198
